

Important Notice – CANVIO® Series (Products DTW1xx, DTC8xx, v73600-x, DTD2xx that contained Pogoplug® PC)

As Cloud Engines, Inc. already announced, Pogoplug® PC for Toshiba Users permanently ceased operation and support on September 30th, 2017 at 11PM (Pacific Daylight Time). Toshiba permanently ceased support at the same time. This change applies to all Pogoplug® products including but not limited to the free cloud storage services, the Pogoplug® Backup Software, Pogoplug® Remote Access, the Pogoplug® web application, and Pogoplug®'s mobile apps. After September 30th, 2017 at 11PM (Pacific Daylight Time) any data still remaining on Pogoplug®'s servers was permanently destroyed.

Applicable Products that contained Pogoplug® PC for Toshiba users.
